**Mr. Howard Goldman
Chairman, PS 164 Alumni**

Dear Mr. Goldman,

On behalf of the students of PS/MS 164 Queens Valley School of the Arts, I would like to thank the members of the PS 164 Alumni for their generous donation.

PS/MS 164 is proud of its heritage and we continue to strive to give the children of our community the best education in New York City.

Your gift will go to purchase much needed hardware to help keep our technology up-to-date.

PS/MS 164 is a hidden gem in New York City, and you and your fellow alumni, have helped to make it shine a bit brighter.

Sincerely,

**Anne Alfonso
